GYM'LL FIX IT: Paddy's missus has a workout

SHE'S a regular at the gym and is fit as a butcher's dog.

Stunning Christine McGuinness flaunted her incredibly toned figure and surgically enhanced bust in a pink two-piece as she headed for a workout at the new Every Body Gym in Alderley Park last week.

The *Real Housewives of Cheshire* star, 31, caught the eye as she slipped into skin-tight workout gear while venturing out in the leafy rural town.

But eagle-eyed fans were shocked to see the outfit worn by telly host Paddy's wife was so tight, they could see where the axe fell!

BILLY FROM BREAD TO PLAY GAZZA IN NEW FILM

ROLE NEW BALL GAME: Producers want Nick to play England footie ace

LIKELY LAD: Gazza now and (below) in his prime, will be played by Nick (right with cast of *Bread*)

A NEW biopic of football legend Paul Gascoigne is set to hit our screens – with an actor from Eighties comedy *Bread* playing the troubled genius.

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK

Producers are thought to have lined up Nick Conway, 54 – Billy Boswell in Carla Lane's Scouse sitcom – to play Gazza in a movie that will track his life from Tyneside youth to sad decline into alcoholism.

It's believed the project was out on hold when Gazza was nicked and accused of sexual assault on a train near Darlington.

But last month the England football legend, 52, was cleared of all wrongdoing and the film is now "all systems go" according to sources.

Bizarre

The movie will feature Gazza's famous tears at the Italia 90 semi-final against Germany to his bizarre bid to reason with lunatic killer Raoul Moat.

A source told us: "Nick looks exactly the right actor to play Gazza and our people are talking to his people – or they will be. Everyone's keen to get this project up and running."

It's not yet clear if Gazza himself – who has been troubled by booze for many years – will be involved in the movie.

Since starring in *Bread*, Nick Conway has appeared in *Coronation Street* a couple of times and has also had a role in daytime medical drama *Doctors*.

Bread, which ran from 1986 to 1991 at one time had 21 MILLION viewers, despite the only joke being Ma Boswell (Jean Boht) souting: "She is a tart!"

Charles says Harry is 'c**t-struck'

PRINCE Charles described son Harry as "c**t-struck" – a showbiz gossip site has sensationally claimed.

Website Popbitch said last week: "If you've ever heard the phone call that Prince Charles had with Camilla Parker Bowles about being reincarnated as her tampon, you'll know he has a filthy mind – but we didn't know he had a mouth to match. Prince Harry was supposed to do an event with Charles recently, but pulled out at the last minute."

Charles suggested that complainers cut the boy a bit of slack.

"Why? Because, he said, Harry's a little 'c**t-struck' right now."

A Clarence House source said: "No comment."

MONDAY

BORIS Johnson finally gets his wish of a general election – to be held on December 12th.

It'll be the first Christmas poll in more than a century but that doesn't really bother me.

I'm well used to leaving my mark in someone's box during the festive period, then spending the next five years regretting it.

That's why HR say I'm not allowed to the works Christmas party any more – especially if Sharon from Accounts is there.

TUESDAY

A BRITISH tourist loses his foot after being attacked by a shark off the Australian coast.

The brave lad kept his cool and even chatted with paramedics about England's progress in the Rugby World Cup while being rushed to hospital.

He should have spoken about cricket instead. The Aussies are used to seeing the English get stumped.

WEDNESDAY

DAME Helen Mirren objects to being called "feisty" on live television.

The veteran actress tore a strip of *The One Show* stand-in host Alex Scott, saying the word is sexist and degrading.

To be fair she has a point. At Dame Helen's ripe age – and with a tendency to get her fanny out at the drop of a hat – Scott probably meant to say "fusty".

THURSDAY

HEATHROW Airport bosses apologise to the TV historian Mary Beard after making her strip down to her undies to clear security.

Still, it's a bit rich of hairy Mary to make a fuss – she's forever uncovering curious objects which haven't been touched for centuries.

It's thought to be the first time the Church of England has celebrated a conversion since they managed to turn a Roman Catholic fella in 1986.

And the first time a vicar has seen two hookers bending over since...ooh, a week last Tuesday.

Welcome to NORKington

VITAL: Town could well be key to Tory election win

PM must win over North's rugby towns

By GRACE HOOPER
news@sundaysport.co.uk

WHO would've thought the Cumbrian town of Workington could hold the key to Boris Johnson winning next month's election?

Workingon has never even returned a Tory MP but now a right-of-centre think tank reckons that "Workington Man" could be vital to a Conservative win in the election.

Think tank Onward has coined today's swing voter as the "Workington Man" – a typically older, white, non-graduate male voter living in rugby league heartland areas in the North like Warrington, Halifax, Wigan and west Cumbria.

Cuts

Research says the Prime Minister can only win his vote if he embraces a "new brand of conservatism, rooted more in giving folk security and belonging, and less in freedom and tax cuts."

That's as may be but we were more interested in Workington Woman – and we travelled to Cumbria to ask them to flash their boobiess.

Kelly Smith, 19, said: "This will be my first time voting and I don't like the look of any of 'em."

Jane Keeley, 21, joked: "Boris? Is that the one who's always shagging?"

Meanwhile Alex Green, 20, hoped to get an extra day off for the election and go shopping.

999! Hurry up because I'm getting jiggy!

POLICE have slammed a woman who wasted their time by dialling 999 and playing music down the phone – while having sex.

The woman called up to request urgent emergency help – but quickly changed her tune.

Shocked call handlers revealed that she started playing a song by singer Akon (*above*) – and then announced that she was getting jiggy.

A tweet from the Avon and Somerset Constabulary's HQ's official control room account said: "And the award for the most inappropriate 999 call of the shift goes to the lady who called and requested police, fire and ambulance then proceeded to play an Akon song down the phone and tell the call handler she was having sex."

Despite its serious message, the post was met with a humorous response by some in the Twittersphere.

One woman said: "Erm...she's good at multitasking?"

Man stripped for cell w*nk

A MAN "stripped off and openly masturbated" while he was in a cell at a cop shop.

Peter Quinn, 26, admitted indecent behaviour in the lock-up, as well as two counts of causing criminal damage and assault when he was hauled up before JPs.

Quinn carried out the assault on a man in Abingdon, Oxon, on September 20.

On the same day he went on to cause criminal damage to a cell while at the town's police station.

The court heard he had acted "in an indecent manner" by taking off his clothes and performing the sex act while he was in his cell.

At Oxford Magistrates' Court Quinn, of Oxford, was sentenced to a total of 10 weeks in jail.

He was also ordered to pay a victim surcharge of £122.

Don't make the mistake I made and launch a firework from your CHAP'S EYE

BELLEND: Graham is nursing a seriously burned one

IT seemed the perfect pre-Bonfire Night prank – launching a firework from a fella's most intimate part.

But for Graham Foster, launching a rocket from the tender slit of his chap's eye would have devastating consequences.

For the self-employed plumber, 21, had unknowingly pushed the firework's wooden stick too deeply into his urethra – the tube in the penis that a gentleman passes wee through – meaning the device was unwittingly firmly wedged.

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

Single Graham, from Wrexham, North Wales, explained: "Me and the lads always get together when Halloween and Bonfire Night come around and this year was no different – well, to start with, anyway.

"We shared a few beers, and then a few more, and then someone suggested getting the sparklers out, so we would all write swear words and stuff.

"But we'd clearly had a beer too many because then we started daring each other to up the ante and do stuff with fireworks.

Pain

"I drew a short straw and had to try to launch a rocket from my bellend and like an idiot I gave it a go. I fished my cock out – in its flaccid state, mind – and slipped the stick of the rocket into my chap's eye.

"Then I lit the blue touch paper and waited for the rocket to whizz off to the other end of the garden.

"But the fuse burned down really quickly and then the bottom of the rocket itself started burning. I was about to grab it and throw it away when it exploded. The noise of the rocket was deafening, and the pain was immense.

"One of the guys reached out and swatted it away but the damage was done. My bellend was gone and blood was everywhere.

"I fainted at the sight of the carnage and woke up in hospital.

"Doctors say they'll have to amputate my entire cock and give me a prosthetic one.

"So to anyone reading this, here's my sincere advice – do NOT f**k about with fireworks!"

Helen: playing sexy Catherine was Great

ACTRESS Dame Helen Mirren says she was cock-a-hoop at stripping off for sex scenes in her latest telly series, *Catherine the Great*.

The 74-year-old purred: "I loved every minute of it – Catherine was a serial monogamist and one of her lines was, 'I'm in love with love'.

"She was a woman who always wanted to have a man, but she didn't want to relinquish power.

"She loved sex and sexual relationships, but when she wanted to get rid of them afterwards, she'd give them palaces or something.

"She even gave one guy – Stanislaw August Poniatowski – a country, making him King of Poland.

"I hate that in history men can sleep with anyone they want but women are punished for their sexuality. There was always the intimation that Catherine was a debauched, mad, sexual creature, but those rumours weren't true."

Terminator babe loves nuddy bits

TERMINATOR **star Mackenzie Davies has revealed she insisted on acting IN THE BUFF for the latest big budget flick.**

The 32-year-old actress opened up about appearing naked on screen for her first big scene in *Terminator: Dark Fate*.

She said: "It's cool because you can't get tripped up with anything, so you just sort of really understand your limitations.

"There's a lot of adrenaline about being naked in front of people, so that affects the weight of your punches."

Mackenzie also said she opted out of wearing a modesty garment, adding: "It's so much nicer to just be nude and not sort of embellish it with these weird lines.

"Just sort of really enjoy it."

Mackenzie (*right*), plays Grace in the sci-fi movie – a new super-soldier who's part-human, part-robot.

The actress also had to tone herself up by hitting the gym, all to present herself as the enhanced assassin we see in the movie.

Julie went bonkers after Mary Poppins

HOLLYWOOD legend Julie Andrews says that Mary Poppins sent her BONKERS!

The British star scooped a Best Actress Academy Award for her role as the magical nanny in her first big film, but said the smash left her needing a shrink.

The 84-year-old (*below*) said: "l kept the Oscar in the attic for a very long time because I thought I'd been given it as a 'Welcome to Hollywood' and I didn't feel worthy of it.

"So much early success sent me into therapy and analysis."

The Sound of Music star added: "I learnt you have to do it right and honour the films you are making.

"It's a huge gift, but a lot of obligation."

Julie has previously said that therapy "saved my life, in a way" after going for personal reasons and because she did not feel she had "clarity".

She explained: "Sadly, I separated from my lovely first husband (Tony Walton) – separations were always inevitable and the marriage was over and my head was so full of clutter and garbage."

Headmaster dies in taxi fall after all day boozing

A PISSED-UP retired headmaster went on a bender to mourn the death of his mother – and died after he fell getting out of a taxi.

An inquest heard Anthony Moore, 78, drank all day as he mourned the loss of mum, Phyllis Colwell.

CCTV showed Mr Moore supporting himself on a cab outside a pub in Caerphilly, south Wales.

But the former secondary school head fell after trying to lean on the taxi as it drove away.

Giving evidence at an inquest, witness PC Stephen Clarke said: "It was as though he then tried to reach out to touch the car again as the taxi left.

"He fell and landed on the back of his head, three to four seconds after the cab drove off.

"The taxi driver was not aware of his fall."

Mr Moore was rushed to the University Hospital of Wales in Cardiff with a fractured skull but died 17 days later.

The inquest in Newport recorded Mr Moore, of Caerphilly, died as a result of an accident.

UN sorry for fanny covers

THE United Nations agency created to "promote cultural diversity" has apologised for covering up the genitalia of two nude statues at an exhibition.

Unesco said that it had been a "big mistake" to cover one of the statues with a thong and the other with a baby's nappy.

Critics accused the agency of censoring art and said that the issue was all the more worrying since Unesco was meant to encourage cultural pluralism.

The statues, by French sculptor Stéphane Simon, 45, were displayed in a Paris art gallery during the European Heritage Days in September and were meant to "evoke figures taking a selfie".

But Unesco officials were more concerned by what was going on below the waist.

A source said: "They were originally covered up as it was feared there may be some 'cultural objections' to there being genitals on show."

My time machine took me to 2027 and Prince Harry has had a sex change

BACK FROM THE FUTURE: Amateur scientist Dennis and (*below*) Prince Harry and Meghan

THE year is 2027.

There are flying cars, head transplants and fast food can be emailed to your phone.

And Brexit still hasn't got done!

However, these are NOT fanciful predictions – this is what happens in 2027.

And amateur scientist Dennis Watson should know – because he's BEEN there!

Using surplus scientific equipment that he found on eBay and some editions of *Junior Electrician* mag, divorced Dennis has built a time machine which he says zapped him into the future.

SUNDAY SPORT EXCLUSIVE

What's the 43-year-old's BIGGEST surprise about 2027?

Prince Harry has had a SEX CHANGE!

Dennis, from Marple, Cheshire, said: "When I arrived in the future I was naked, like Arnie in that *Terminator* film.

"But in 2027 that's OK because everyone goes about naked on account of global warming and that.

Clap

"And everyone has sex with each other in the street because they've got cures for the AIDs and the clap and everything.

"After I'd done a bit of sex I saw a telly in Rumbelow's window – Rumbelow's has come back in 2027 – and it was showing this person called Princess Harriet.

"It baffled me at first and then it struck me – it was Prince Harry and he'd had a sex change!

"I know he was being all right-on and PC but by 2027 it's even worse and he's turned into a bird.

"I was going to find out more but I was zapped back – still naked – to 2019 and that's why I ended up with no clothes on behind the orphanage."

Nonsense

A Palace source last night said that Prince Harry – who increasingly spouts politically-correct nonsense – has "no plans" to have a sex change, though he was "a huge supporter of the trans community".

THAT'S NET FUNNY!

YOU would think that, shelling out on a big box of nappies, making another baby would be the last thing on this couple's mind.

THE VOICE OF YOUR BRITAIN

Prince must heed warning from future

AMATEUR boffin Dennis Watson reckons he's bent the laws of physics by creating a TIME MACHINE.

But he has not used his invention to make himself rich by, for example, finding the winning horses in the next 100 years' Grand National.

He's used his device to issue a warning to Prince Harry.

Dennis reckons he's travelled to the year 2027 where an increasingly-PC Duke of Sussex has had a sex change to improve his "diversity".

The thing is, most of us who have watched Harry's progress from a party-loving prince who liked to dress as a Nazi to tedious, lecturing, "woke" activist, would not be surprised by such a move.

Egged on by his Hollywood wife, Harry has become a sort of George Clooney in a coronet – espousing fashionable "right-on" opinions from a position of incredible privilege.

Few people would faint in shock if it were announced that Prince Harry had become "Princess Harriet".

That is the direction that the Prince – and the public's opinion of him – is going.

Harry needs to have a word with himself, needs to see how concerned the public are for him – and he needs to stop listening to his wife's trendy lecturing.

You could have a Chap's Eye out!

IT'S almost that time of year again folks – Bonfire Night.

It's a time of joy and unbridled revelry during which citizens burn effigies of Guy Fawkes, among other hated figures.

At no other time of year are Brits allowed to handle explosives and pyrotechnics with such wanton abandon.

But, after reading a story about a man who blew off his bellend with a rocket, we hope that NOBODY this year tries to launch a firework from their chap's eye!

Leisure centre tosser wouldn't w*nk at home

A FORMER volunteer at a disabled persons' swimming club had a wank in the showers at a leisure centre as he didn't want to tug at the home he shared with his mother.

Adrian Venables, 56, of Ellesmere Port, pleaded guilty to outraging public decency in the changing rooms at the Northgate Arena Leisure Centre, Chester (*above*), in August last year.

Chester Magistrates accepted his basis of plea that while he had committed the act, he had not intended anyone to see him, intending the act to be private, and was not aware anyone had seen him.

Magistrates handed Venables 12-month community order which includes 15 days of a rehabilitation activity requirement.

As well as the 12-month community order, Venables must pay a £100 fine plus £85 court costs and an £85 victim surcharge.

The 35-year-old said: "When people started posting dead fish through my letterbox I never thought it was anything to do with the telly show.

"Obviously, I know I share my name with someone who's famous, but I've never seen his show as I work during the day.

BBC KIDS' STAR DENIES ANIMAL PORN CHARGE

RECORD BREAKER: Stephen Kish

A KIDS' TV presenter has appeared in court where he denied possessing extreme animal porn.

Stephen Kish, 30, who hosted *Officially Amazing* on CBBC, appeared before Hove Crown Court where he pleaded not guilty to a single charge.

The charge states that he "possessed an extreme pornographic image, which portrayed in an explicit and realistic way, a person performing an act of intercourse or oral sex with an animal".

By SUZIE SHELDON
news@sundaysport.co.uk

It states the image was "grossly offensive, disgusting, or otherwise of an obscene character."

Kish, of Hove, East Sussex, who also runs dog-walking firm Tails of Love and Pet Care, was bailed to appear for trial next year.

The 30-year-old is a star of *Officially Amazing* – representing the UK as 'Sizzlin' Steve' while trying to beat silly Guinness World Records.

Kish has achieved more than 50 world records on the show, from earning 37,510 points on Angry Birds to earning the highest score on the world's biggest PAC-Man game.

Officially Amazing is made by independent production company Lion TV for CBBC.

No further series have been commissioned.

All episodes were removed from BBC platforms when the corporation became aware of the allegations.

The trial will take place in April next year.

Miss thought 16 was legal age for shag with student

A SCHOOL Miss who had sex with one of her students waited until his 16th birthday because she wrongly thought that was the age of consent, a court heard.

The English teacher was 23 when she had sex with the boy in her car on a beach, after giving him a jumper, aftershave and pens as birthday presents.

On the night before Valentine's Day, she booked a hotel room where they sat on a bed watching Netflix on her laptop before again having sex.

The woman, now 25, maintained she had waited until the boy was 16 because she thought that was legal.

The victim told police he would chat with the teacher after class, then met her one night in a nightclub where she gave him a hug.

On his 16th birthday, they drove to a beach, he thanked her for the presents and they kissed before it "escalated" to sexual intercourse.

Dublin Circuit Criminal Court heard she was immature, had lived a sheltered life and was "naive sexually and as a teacher".

She pleaded guilty to defilement of a child under 17 and was caged for three years.

Maths teacher 'sent pissflaps pics to lad, 15'

A HIGH school teacher has been charged with "exchanging intimate photos" with one of her 15-year-old students.

Dorothy Bancroft Veracka, 42 (*above*), has pleaded not guilty to several charges including distributing obscene matter to a minor and possessing illegal pornography.

Investigators say the Maths teacher at Nashoba Regional High School in Clinton, Massachusetts, sent nude photos of herself to the male student between September 2018 and March.

It's believed the photos are so called "American strength, held-open" pictures that reveal Veracka's moist pissflaps.

During the same period, the teacher is said to have received naked photographs of the teenager.

A school spokesman said that Veracka has been on administrative leave since September.

Shit shock of Brexit veteran

A BREXIT Party candidate complained after bags of DOG SHIT were repeatedly left on his doorstep.

Graham Cushway said he had become a "victim of intimidation" after announcing his plans to stand in Brighton's Kemptown area.

He said: "About a week ago I had 'Tory scum' written on the front window of my abode in the dirt there.

"Since that time I also have also had dog excrement repeatedly thrown on to my front porch and somebody has also been coming by and stamped on it."

Mr Cushway said his experience as a soldier meant he was "not easily threatened".

"This is a fairly futile exercise. I did six years in Iraq including being in the Third Battle of Fallujah and in The Surge in Baghdad,"

DRUNK STUDENT 'WAS CAUGHT SHORT AND SHAT IN DOG POO BIN'

FINED: Tom Harrison had been on the ale and curry

RATIONAL PLACE: A dog poo bin

IT was the mighty sigh of relief that landed student Tom Harrison in hot water...

Walking home after a curry and beers with fellow members of the Civil War Recreation Society, Harrison needed to use the toilet.

SUNDAY SPORT EXCLUSIVE By SIMON DEAN

And it was a huge Number Two that was called for.

Still a mile from his student digs and with the only nearby public bogs a hotbed of "cottagers", 20-year-old Tom took drastic action.

He lifted the lid on a council dog waste bin, dropped his trousers and voided his bowels – letting fly a loud groan of satisfaction.

But that sigh attracted neighbourhood warden Michael Heap, who – fearing depraved sex people fornicating on his Manchester patch – went to investigate, magistrates heard.

Shocked at finding Tom had defecated in the waste receptacle, Mr Heap remonstrated with the student and an argument ensued.

The argument turned to a scuffle and before they knew it, police were on the scene and Tom was arrested.

Nuisance

In court last week he admitted defecation to the public nuisance and common assault on Michel Heap.

He was fined £200, ordered to pay Mr Heap £100 compo and to do 80 hours' unpaid work.

Outside court, Tom Harrison said: "I was in a desperate place. I did not want to poo on the pavement and I didn't want to go to the public lavs where I'd probably get bummed up the arse.

"The dog poo bin seemed the rational place, if I didn't want to shit my pants.

"I'm so sorry for any upset caused."

Michael Heap said: "It's a fair resolution of the case but goes to show the value of the neighbourhood patrol."

Cook faces jail for lag sex

A DINNER lady has admitted having sex with a prisoner while she worked in a jail's canteen.

Teresa M. Pitcher, 54, accepted a plea deal and pleaded guilty to attempted custodial sexual relations that could now put her in the same jail for 12 months.

In August, Pitcher was employed by a contract food service company that provides meal services to the Cache Co Jail in Utah.

Deputies there became suspicious of Pitcher while monitoring phone calls in the jail – and found conversations between her and an inmate.

Through the investigation, deputies found there to be at least one instance where allegedly oral sex had taken place between Pitcher (*left*) and the lag.

Pitcher, who is due in court next month, was sacked by the food company and the inmate was transferred.

'Dwarf' outrage over sperm bank

A COURT has ordered the blocking of an international sperm bank's website after a woman gave birth to a dwarf.

The woman – a successful writer whose identity has not been disclosed – chose a father for her child from pictures of donors on the site.

She underwent IVF treatment at a private clinic after paying for his sperm. Aged over 40, she believed this was her last chance to have a child.

But the boy was born with a rare incurable disease that causes dwarfism, a Moscow court heard, and will never grow more than 4ft.

The court ordered the blocking of the website of Danish sperm bank Cryos in Russia.

Zoo's rare lemur theft: teen caged

A TEEN was jailed for three months after breaking into a zoo and stealing a rare lemur.

Aquinas Kasbar, 19 (*above*), was sentenced after pleading guilty to one count of unlawfully taking an endangered species.

He broke into the Santa Ana Zoo in California in July last year using bolt cutters to make a hole in the enclosure for lemurs and capuchin monkeys.

He then stole Isaac, a 32-year-old ring-tailed lemur from his enclosure.

The ring-tailed lemur is a Madagascar native and one of the 25 most endangered primates in the world.

After taking Isaac – the oldest lemur in captivity in America – from the zoo, Kasbar, of Newport Beach, California, put him in a plastic box with no ventilation and left him in front of a local hotel.

Isaac was returned unharmed to the zoo.

Poo boffins want your shit photos

BOFFINS are pleading for people to send them pics of their SHIT as they build the biggest database of fecal photos to train an app that helps people improve their gut health.

Microbial science and health company Seed has partnered with a "digital gut health coach" being developed by a team of scientists from several top universities in the US.

Seed's #GIVEASHIT campaign dares "citizen scientists" to take their phone with them to the bathroom next time, in order to contribute pictures for the database.

"Every day, you flush away a goldmine of data," the campaign's website says. "Your poop's size, shape, colour, texture, consistency and frequency can offer important insights into your overall health."

The website asks users to take a photo of their next bowel movement and anonymously upload it.

HEALTH AND SAFETY CHIEFS BLAST DEAD ISIS BOSS

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

SLAIN ISIS boss Abu Bakr al-Baghdadi has been blasted by health and safety chiefs who say the dead terror chief's hideout in the Syrian desert was an "accident waiting to happen".

Al-Baghdadi blew himself to bits when US special forces raided his secret camp last week, with President Trump revealing the evil mastermind had "died like a dog".

But death has not allowed al-Baghdadi to escape the judgement of health and safety nuts who say video recordings of his terrorist lair show a "breathtaking ignorance of basic safety".

Bloodcurdling

Nigel Dunderson, secretary of the British Safety and Compliance Alliance, raged: "That video sent a shiver down my spine and it was not al-Baghdadi's bloodcurdling threats about the West that did it – it was the state of his hideout!

"I can only say that Syria must improve its health and safety at work regime because if that's typical of a Syrian workplace, they are looking at a whole world of pain – and even costly legal action, going forward."

Nigel identified three major areas of concern:

● GUN – "In the photo there's what looks like a Kalashnikov AK-47 assault rifle. A handy bit of kit – in the right hands – but used wrongly, can cause terrible injuries. This gun, as it is clearly not being used, should be stowed in a locked cupboard, as stated in the Firearms Act."

● POSTURE – "Had he not been killed in the raid, al-Baghdadi would have been looking forward to an old age blighted by back pain. The idea that anyone should spend any time in the workplace, slouched like that and cross-legged, is simply unbelievable in 2019. ISIS need to carry out workstation assessments and evaluate the need for ergonomic seating with lumbar support."

● CUSHIONS – "It's a little known fact that more people are injured in the workplace by cushions than by lions. Soft furnishing may look unthreatening but left around on the floor they are a potentially deadly trip hazard."

Nigel said he would be writing to ISIS to point out their "foolhardy and near-negligent" attitude to health and safety.

LESBO MISS TAUGHT GIRL BIOLOGY ...& WENT DOWN ON HER

ORAL CLAIMS: Church teacher Andrews

A MARRIED mum has been accused of licking out a teenage girl who she was teaching biology.

Alisa Andrews, 50, was arrested on last week over allegations she molested the 17-year-old in a church classroom

The girl reportedly told police that Andrews had performed sex acts with her – including oral sex and fingering – about 20 times over several months.

She spoke to cops after the pastor of the church reported a parent told him that a teacher was in an "inappropriate" relationship with a student, according to court papers.

By BRAD CHADWICK

news@sundaysport.co.uk

Dramatics

The document said the girl attended a home school programme at the church.

She is also said to have spent time at an amateur dramatics company, of which Andrews was a director.

The girl told police that she had tried to end the relationship several times but that Andrews always threatened to kill herself.

Cops found evidence, including a handwritten note and several text messages, that confirmed what the girl told them.

The age of consent is 16 in Arkansas, but adults in a position of authority over older kids can still face abuse charges for having a sexual relations with them.

Andrews was hauled off to the local lock-up in Bentonville, Arkansas, but has since been released on bail.

Dancer waves gun in strip club cash row

A STRIPPER pointed a gun at her club bosses after getting into a row with another dancer.

Amber Colquitt, 28 (*above*), was in the middle of her sexy routine when another dancer, who wasn't performing, started collecting Colquitt's hard-earned money.

The two women started rowing but other staff broke it up.

The other dancer was not punished as she only took £2 from Colquitt.

But as Colquitt was leaving Pin-Ups gentlemen's club in Daytona Beach, Florida, she saw the other girl performing and decided to take HER money.

The two then got into another physical brawl.

While a security guard was breaking it up, Colquitt claimed the guard hit her.

She then went to a friend's car and came back into the club with a pellet gun.

One of the managers then pulled out a real gun and told Colquitt to drop hers, according to the Daytona Beach Police Department.

Colquitt was charged with aggravated assault without intent to kill.

She also was fired from the strip club.

A source at the club said: "We done got us some real class pussy performing here, yes siree!"

Fast food fan sues for chicken shortage

A DINER who is suing a fast food place for running out of chicken burgers has been told his case can go to trial.

Craig Barr is seeking £3,000 in damages from fast food chain Popeyes, for his time wasted trying to find the sandwich.

Barr filed the lawsuit in August when the eatery in Chattanooga, Tennessee, failed to make his order.

He claimed Popeyes engaged in false advertising and deceptive business practices.

Popeye's first offered the sandwich, which consists of a fried chicken breast between a brioche bun with mayonnaise and pickles, for a limited time on August 12.

The chain expected to have enough for six weeks, but ran out within two when its popularity took off on social media.

Bail boss, 87 'demanded a BJ for cash'

A BAIL agent – AGED 87 – has been accused of asking a female con to suck him off in return for getting her out of jail.

Merlin "Jack" Nelson (*above*) was arrested on suspicion of attempting to commit unlawful sexual relations.

Nelson is owner of a firm that stumps up bail for people arrested for criminal offences.

He was probed by police after it was alleged he'd tried to get a inmate to perform sex acts in exchange for cash.

His company claims on its website: "For a bail bondsman agent who'll go the extra mile to get you out of a bad position, reach out to A Girard Bonding Co."

Nelson faces 10 years in jail if convicted.

A police source in in Girard, Kansas, said: "Hell, I ain't excusing what this gentleman is accused of doing – it's against the state law and that's a fact – but I sure danged hope that when I'm 87 years old, I still ain't done chasing pussy.

'Trump' attacked at Halloween fair

A TEEN girl twatted a bloke because he was wearing a Donald Trump Halloween costume.

The 14-year-old girl walked up to the man as he queued at a fairground and punched him, while her pals filmed the attack.

The teenager now faces a charge of battery.

An incident report says the victim and his family were in line to go into a haunted house exhibit at the Collier Co fairgrounds in Florida when the girl walked over to him and punched him square in the jaw.

He said the girl laughed and ran back to her place in the queue to join four other teenagers.

The man then asked a fair worker to call cops.

While interviewing the girl and her parents, a Collier Co School system employee said the clip of the incident had been posted on Instagram.

A deputy said the girl's "sole motivation was to strike 'Trump'".

STUNNA Bella Hadid works her assets as she dresses up as a sexy version of a character from The Flinstones.

The model, 23, looked sensational in a tiny orange two piece which was adorned with bones around her waist, completing the cartoon caveman ensemble.

Bella completely committed to her costume, wearing her hair cropped into a dark black style, and even wore dangling bone earrings.

Last month was a busy one for Bella, who inbetween work commitments celebrated her 23rd birthday on October 9.

This year's celebration was extra special, as she was joined by her on-off love, The Weeknd.

The couple had only split in August, but they appear to been on friendly terms.

Babysitter is held for sex with boy, 13

A RANDY babysitter bonked a 13 year-old lad – then tried to blame him for forcing HER into having sex.

Demetriona Harper, 20 (*above*), attacked the teen on October 17 after going into his room to play a video game with him.

Harper began touching her victim's privates, then forced him to touch hers back before they had sex.

Afterwards, Harper is said to have gone back into the living room for her phone.

Cops were contacted about the alleged sex crime last week, with Harper initially denying any wrongdoing.

But she later coughed to performing sex acts on the boy and allowing him to shag her.

Harper told officers she had tried to leave the lad's room, but he forced her into finishing things off.

She is said to have admitted letting the abusive encounter go too far, and reportedly confessed she'd made a mistake, while insisting the teenage boy was the aggressor.

Harper, of Nashville, Tennessee, has been charged with child rape and is currently being held in jail.

Suicide 'sex line' mistake

RED-FACED school bosses have apologised after giving out the number of a SEX LINE instead of a suicide prevention hotline.

Emily Lavelle and her friends spotted the gaffe when they decided to see what would happen if they called the suicide hotline number listed on the back of their school IDs.

She said: "I was in disbelief – that's a suicide prevention hotline. Someone who genuinely needs help shouldn't hear that kind of thing, from something that they thought was going to help them."

The school district in Lancaster, California, said in a statement: "We were made aware that the middle school student ID cards have the wrong phone number listed for the suicide hotline.

"The numbers have two digits transposed and this is a mistake. The number listed is a sex line."

FARMER'S COCK MANGLED IN HORROR ACCIDENT

A FARM worker whose cock was mangled in a horror work accident has paid tribute to his "understanding wife".

Russell Ballard, then 48, was laying irrigation pipes for a closed railway line on a farm in 2017.

He suffered fractures to his hips, spine and ribs when a wall in the 18-foot deep trench fell and pinned him from the waist down.

His genitals were also severely damaged.

Cotton farm company Culverthorpe Pty Ltd were later fined £40,000 after pleading guilty to a health and safety breach.

By BARNEY SAMUELS
news@sundaysport.co.uk

Two-and-half years on, Russell is still physically and mentally scarred from his near-death experience.

Nightmares

He's only just re-entered the workforce for the first time since the accident and now works as a school bus driver.

He still has nightmares about being buried alive, which he says he wouldn't wish on his worst enemy.

He now can only walk or stand for short periods, still suffers anxiety and post-traumatic stress.

But Russell bravely said: "Even though I smashed my penis, I can still walk. The doctors can't believe I can walk, let alone ride my motorbike, so I am glad I can walk.

"I've no sexual function any more, well it is very, very reduced. Luckily I have a very understanding wife.

"I get flashbacks pretty well every day, my head ... everything goes back to it, just seeing myself squashed and thinking 'this isn't good'."

The court judgement on the accident in Toowoomba, Queensland, stated: "The risk of serious injury or even death as a result was foreseeable.

"Mr Ballard sustained serious injuries requiring surgery.

"In this case, while the offence is serious, it is not so serious as to warrant a conviction for the defendant who is a good corporate citizen and otherwise of good character."

10 things you might not know about GENERAL ELECTIONS

HOORAY! If the run-up to Christmas wasn't bad enough, now we've got a general election, too!

Boris Johnson is gambling another poll will somehow end the shitshow over Brexit.

Here are 10 facts you may not know about elections…

1 **IT'S just tradition that general elections are held on a Thursday – they could be held on any day of the week. One theory suggests that in the past Friday was pay day, so Thursday votes ensured a good turnout as people weren't too drunk.**

2 POLLING station staff cannot refuse a voter simply because they are drunk, by the way. If the presiding officer suspects a person is incapable of voting, they will be told to come back when they've sobered up.

3 **YOU can take your dog to the polling station as long as Fido doesn't "disrupt the vote".**

4 THE lowest turnout at a UK general election was at the end of World War I when the polling stations saw just 57.2% of eligible voters cast their ballot. Between 1922 and 1997 turnout was 71% and above, with a high of 83.9% in 1950.

5 **POLITICAL discussion is banned inside the polling station. Polling station staff will intervene if people are heard to be discussing the merits of different candidates or parties – it may unsettle other voters.**

6 IN 1728, before oiks were given the vote, the constituency of Old Sarum in Wiltshire had TWO MPs – and only three people on the electoral roll.

7 **THERE were 15 candidates in Tony Blair's seat of Sedgefield in 2005 – the most ever in a constituency.**

8 IN terms of area, the smallest constituency is Islington North (where Labour leader Jeremy Corbyn is MP). The largest area is Ross, Skye and Lochaber.

9 **THE youngest ever elected MP was Christopher Monck who took his seat at the age of 13 in 1667.**

10 THERE has only once been a tie for first place in a general election constituency – in Ashton-under-Lyne in 1886. The mayor had a casting vote.

THREESOME HOOKER'S BUM SEX BLACKMAIL

ARRESTED: Moore-Jones has been charged with extortion

A PROSTITUTE tried to blackmail a married man out of £11k, then posted a video of their ANAL THREESOME on Facebook when he refused to pay.

By BRAD CHADWICK
news@sundaysport.co.uk

The victim met Kailynn Havannah through an escort site, and had sex with her and another woman.

Moore-Jones allegedly made a secret recording of the sexual encounter on August 6, and soon began calling, texting and sending Facebook messages to the man – threatening to ruin his reputation by making the sex tape public, unless he paid her £11,000.

TRYST: Pear Tree Inn

He sent her a total of £1,700 in three instalments, according to the court documents, but the sex worker was apparently not happy and continued to demand more cash.

Bumming

When the victim did not deliver, Moore-Jones allegedly made good on her threat and posted their anal sex tape on Facebook pages belonging to him, his wife and his employer.

The video showed the man having vaginal and anal sex with both Moore-Jones, 22, and the other prostitute at Pear Tree Inn near St Louis Airport, Missouri.

The sex video also showed Moore-Jones with a strap-on dildo – bumming the victim up the arse while he urinated in the mouth of the other hooker.

Another clip released in violation of social media decency rules, shows the man enthusiastically fisting Moore-Jones and the other sex worker in their respective anuses.

Extortion

At the end of August, the victim contacted the FBI and told federal agents about the prostitute's alleged extortion and revenge porn scheme.

Agents listened in as he called Moore-Jones and she agreed to take down the video if he paid her some more money.

The mother-of-one was arrested three days later and charged with extortion – which she denies.

Moore-Jones's criminal history includes charges of prostitution, theft and domestic violence.

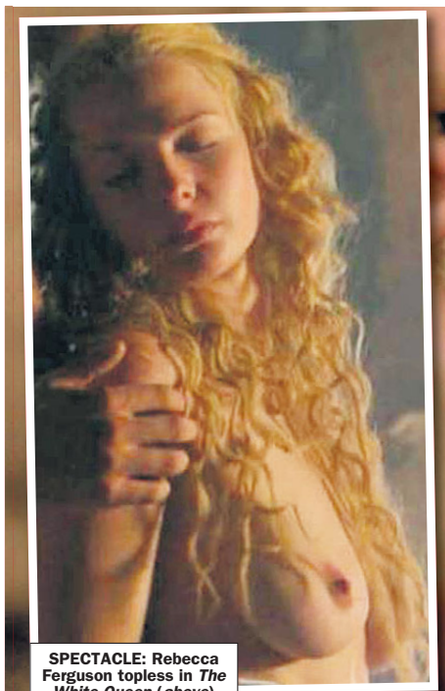
Take a peep at Sleep babe Rebecca



SPECTACLE: Rebecca Ferguson topless in *The White Queen* (*above*) and in new flick (*below*)

IT'S the chilling sequel we've all been waiting for… Stephen King's new big screen horror story *Doctor Sleep* is poised to scare audiences everywhere absolutely SHITLESS!

It's the follow-up to the 1980 classic *The Shining* which starred Jack Nicholson and Shelley Duvall.

In the new movie, Ewan McGregor plays Dan Torrance, the little lad from the first film who's grown up now but still traumatised by events in the original movie.

But his special powers are called into action again as he's forced to front up to his nemesis Rose the Hat, leader of a tribe of semi-immortal beings known as The True Knot, and played by actress Rebecca Ferguson.

It's a far cry from Rebecca's outing in the BBC mini-series *The White Queen* – but at least back then she had the presence of mind to whip her lovely boobs out for us during some saucy bedroom scenes.

We reckon *Doctor Sleep* may have stayed awake if he'd had that spectacular chest to gaze at!

DOCTOR SLEEP IS IN CINEMAS NOW

STAR: Ewan McGregor as grown-up Dan Torrance

DEANO ON SUNDAY

Sorry Greta, but the train's a right pain!

OK, I f**king give up – I'll get a f**king car!

It is NOT possible to rely on public transport – at least not in the agreeable part of the country where I live.

Back in September, some c**t crashed into the back of my vehicle, resulting in the Volvo being written off.

Rather than getting another motor, it struck me that there were better ways to spend my life than sitting on a motorway in a traffic jam, or dodging middle-management twats called Gavin in their Audis and BMWs.

So, living just 10 minutes from a railway station, I decided to pocket the insurance cash and use public transport.

And yes, getting to work by train is not bad at all.

That's if the train turns up.

My local line is run by Northern Rail – less a train company, more of an elaborate hoax.

Below is a typical departure board from my local station to illustrate this.

Destination	Status	Platform
Chester	07:53 30 mins late	1
Manchester Piccadilly	08:29 7 mins late	2
Chester	On time	1
Chester	Cancelled	

Then they have the cheek to put up enormous signs warning of perpetual torment for your soul if you fail to buy a ticket before you board a train.

To re-iterate, a train that may not even turn up!

And if it does turn up, the engine may conk out two miles down the line.

Or limp along at half power for the entire journey.

Then, at the other end, you get your ticket inspected by a gang of grunting heavies who learned their customer service skills from the East German guards at Checkpoint Charlie.

If the service was cheap, it would not be so bad.

But it's not.

Two months into my experiment, I did the Maths.

It's actually MORE expensive to travel by train than by private car.

In what kind of f**ked-up world does that make sense?

We're told that cars pollute, that traffic is choking our roads, that public transport is the future.

George Orwell dreamed up cheerier futures.

So, sorry Greta, sorry Extinction Rebellion, this weekend I'm going to my friendly, local Arfur Daley and getting myself a runaround.

Until public transport is less of an unreliable shambles the motor car will remain king.

MACHETE GIRL FORCED EX TO BONK HER

Sent to nuthouse for 20 years

SEXY STRIP: Samantha Mears got victim hard before ride

A WOMAN who broke into her former boyfriend's house and forced him to have SEX while wielding a machete has been sent to the nuthouse.

Samantha Mears, 20, broke into the victim's home while he was out at a petrol station.

When he returned, Mears popped out from behind a bedroom door and "came up behind him and put a machete to his throat".

She then ordered him to get on the bed and remove his clothes.

The victim told police Mears did a sexy dance in front of him, slowly taking off her knickers and fingering her shaven pussy – while all the time waving the huge blade at him.

Shaft

Despite his fear, the victim said he became aroused and Mears slid her sodden fanny down his hard shaft and "rode him" until he ejaculated hot SPUNK deep inside her.

When the victim had ejaculated he attempted to push her off him.

But she bit him on the left arm and continued to have sex with him until he went floppy.

When it was over, Mears continued to sit on the bed, still armed with the machete, with her back against the victim – who later provided police with several images of her gripping the weapon.

The pair later had an argument and Mears urinated deliberately on the victim's bed.

The victim eventually slipped out the back door and escaped from the home in Great Falls, Montana.

Mears told officers she had "consensual intercourse" with her ex, but "was not making much sense and would often ramble on in her answers with things that didn't pertain" to police questioning.

She was sentenced to 20 years in the custody of the Montana Department of Public Health and Human Services after being charged with sexual intercourse without consent, aggravated burglary and criminal mischief.

Flash in the can!

PRISON GIRL'S SAUCY STRIP

BEHIND BRAS: Blonde whips em' out

JUST because you're in prison, doesn't mean it has to be all doom and gloom!

Some people treat lock-up as the low point in their lives – others look on the bright side and see it as a chance to have a cheeky laugh with their mates.

Like this saucy babe who was determined not to let getting banged up dampen her spirits as she treated her pals to a very sexy boob flash.

The naughty 21-year-old, who is in a Florida jail awaiting trial, got a fellow lag to snap the photos while she posed in front of a mirror.

We just hope the judge has a sense of humour, too!

HIGH GLASS HOOKER

A FURIOUS prostitute hacked off a mean lorry driver's penis with a broken BOTTLE after he refused to cough up for her sexual services near Tripura, India.

GRANITE OF THE APE

A HARD-as-nails Capuchin monkey, called Vern, tragically died while trying to stop thieves stealing his babies at Wright Park Zoo in Dodge City, Kansas.

By GRACE HOOPER
news@sundaysport.co.uk

MICK Hucknall has backtracked on his once infamous boast of having had sex with 3,000 women in three years.

The *Simply Red* crooner dated a string of famous women at the height of his fame, including Catherine Zeta Jones, Helena Christensen and Melanie Sykes, and in 2010, did an interview where he claimed he had sex with three women a day.

"When I had the fame, it went crazy," he said at the time.

"Between 1985-1987, I would sleep with about three women a day, every day. I never said no."

But Mick – now happily married to Gabriella Wesberry – insists the numbers were blown out of proportion.

The 59-year-old said: "There was screaming girls everywhere. It felt like you were sleeping with three women a day. It wasn't literally that."

Still, the unlikely red-haired lothario certainly did put it about it in his heyday, as we're happy to remind him!

NEW BABE
TOPLESS!

MARIA'S LOOKING SWELL!

MEGA-BOOBED Maria Booth can't wait to share her enormous 32JJ knockers with *Sunday Sport* readers.

The 27-year-old from Cork, Ireland, says everyone she meets is obsessed with her boobs – which is why she decided to get them out.

She said: "I'm quite a late starter when it comes to modelling but I'm loving it so much.

"I figured my boobs get so much attention I might as well start getting them out for a living.

"And after just three months I've got to appear in *Sunday Sport*. It's a dream come true!

"I hope your readers like me!"

The stunna, who posed naked in the bath for this stunning photoshoot, added: "My boobs have always got me noticed. Sometimes men will be speaking to me and then look down and just stop in the middle of a sentence and stare at my chest.

"I'm pretty certain I caused a traffic accident when I was in Dublin for the weekend once because a car smashed into a bush just metres away from me.

"I know a lot of girls with big boobs like mine cover them up or try to hide them but I'm not like that. I love them.

"And I enjoy showing them off at every opportunity in low cut tops and dresses."

But it's not all tits and roses for Maria.

Expert

"The only major drawback is the lack of sexy underwear.

"I love to dress up in saucy lingerie and stockings but with huge boobs like these, the bras are always rubbish.

"I've had to get a few specially made.

"But there's no drawbacks when it comes to sex. Big boobs always turn men on and I've become an expert at giving tit wanks.

"All I need is a bit of lube and it doesn't take long before men are spurting their loads between my boobs and onto my face!"

Emma loves being naked!

By WENDY THOMAS news@sundaysport.co.uk

EMMA Glovers loves being starkers – which is always a good start for a glamour model.

But Emma, 29, From Brentwood, Essex, loves lingerie even more.

The 30G babe confessed: "Whenever I get a Sunday off, I like to have a lie-in, cook myself a nice breakfast – a greasy fry-fry up is my favourite – and spend most of day in front of the TV catching up on the soaps.

Naked

"I never wear clothes at home. I don't see the point. It's more comfortable – and fun – being naked.

"But if I have company, it has to be lingerie. Whenever I see a nice set, I just have to buy it and can't wait to show it off to some lucky bloke!"

Lucky bloke indeed!

EVERYONE knows the girls of *AdultWork.com* LOVE sex.

But what kind, how much, and how often?

We asked Tiffany Naylor, Kylie Nymphette and Amorous Jessica all about their most intimate fantasies, their kinky masturbation techniques, and the weirdest thing they have ever done.

And the three babes are very forthcoming!

By WENDY THOMAS
news@sundaysport.co.uk

You can find out more for yourself by getting in touch with the ladies on their own *AdultWork.com* profiles.

And if these beauties don't float your boat remember that there are THOUSANDS more waiting for you to get in touch on *AdultWork.com*

So, what are you waiting for?

'I will spit in your face and swallow your soul...'

TIFFANY NAYLOR

AdultWork.com profile: bit.ly/TiffanyNaylorSP

HOW LONG HAVE YOU BEEN ON AdultWork.com?

I first set up my profile in 2007 when I was still at university. But I didn't start using it regularly until 2012. So technically, 12 years this September – although only regularly for seven years in September.

HOW DID YOU GET INTO WHAT YOU DO?

I LOST my job without warning and had bills to pay. I remembered that I'd set the profile up and decided to give it a go.

Initially I was just doing the odd evening here and there as I did have a part-time job for a while, but the opportunities became apparent quite quickly and I decided to pack in the day job and jump into the adult entertainment world with both feet.

WHAT TYPE OF THINGS DO YOU OFFER?

All sorts – I began doing straightforward vanilla porn stuff, but after about a year I found myself preferring the Dom role. It just felt more natural and authentic, and not like I was putting on an act.

I've always been pretty bossy and used to getting my own way so after exploring my own sexuality a bit I moved into Femdom & Fetish work. I offer real-time sessions, I am on cam regularly, I make a lot of Femdom videos, and I do phone chat… the list goes on!

WHAT IS YOUR BIGGEST ACHIEVEMENT IN LIFE?

I don't know if I could single out one thing that I'm proud of. I feel like I've done a lot – I have set up my own business from scratch, I've explored and learned and survived a very challenging industry.

I've also taught myself skills which I had absolutely no knowledge in – video editing, web design, etc – I have a degree in Psychology and Criminology, I have been an extra in *Game of Thrones*, I'm about to complete my training as a therapist… so I think it's hard to single out just one achievement.

WHAT IS THE WEIRDEST THING YOU HAVE BEEN ASKED TO DO?

I've been asked no end of weird and wonderful things – I was asked to drink out of a coke bottle once, really close to the camera. That was weird because I couldn't figure out what the actual kink was here.

SPIT OR SWALLOW?

Both – I will spit in your face and swallow your soul!

HOW DO YOU DESCRIBE YOU?

Awesome, complicated, hilarious, kind, fierce and fabulous!

WHAT IS A NO-NO FOR YOU?

Professionally? Rudeness, entitlement, disrespect, and poor hygiene. Actually, those are also no-nos in my personal life as well

DO YOU SEE MEN AND WOMEN? AND ANY COUPLES?

At present, I only see men professionally. I have no plans to see couples or women, but never say never.

FAVOURITE CHAT-UP LINE YOU HAVE EVER RECEIVED? AND THE WORST?

I hate chat-up lines. They're all the worst. Someone tried to win my affections by saying I look like Natalie Imbruglia – not a slight on Natalie, but she has black hair and blue eyes and I currently have purple hair and green eyes. He was either blind, or high, or both.

HOW CAN A SUNDAY SPORT READER GET YOUR ATTENTION FOR THE RIGHT REASONS?

RLS TALK SEX!

'I'm quite an expert at giving oral sex'

AMOROUS JESSICA

AdultWork.com profile: bit.ly/AmorousJessicaSP

HOW LONG HAVE YOU BEEN AN AdultWork.com MEMBER?
Since April 2018 – so well over a year now, but I'm still fairly new to escorting.

TELL OUR MEMBERS A LITTLE ABOUT YOURSELF... WHAT TURNS YOU ON?
Well, I have an extremely high libido. I always have done! I remember reading *Fifty Shades of Grey* in my last year of high school and becoming super wet, masturbating over the same chapters over and over again. And since then, my libido has increased!

I love kissing, foreplay and lots of oral.

WHAT IS YOUR BEST FEATURE/ATTRIBUTE?
I am always told that I have a very beautiful face with stunning green eyes.

ARE YOU IN A RELATIONSHIP?
No, I'm single and happy... my libido is more than satisfied thanks to my lovely clients!

IS CAMMING/ESCORTING YOUR MAIN JOB OR DO YOU DO IT ON THE SIDE?
Escorting and camming is my main job and I absolutely love it. I'm a complete nympho to be honest – I've always loved sex.

I am a touring escort, working all over the county. I absolutely love it – the job gives me the freedom to visit new places and meet new people.

WHAT IS YOUR FAVOURITE SEX ACT TO RECEIVE OR PERFORM?
Oral, without a doubt. I love giving it and I'm told I'm quite the expert. But I also love receiving it – there's nothing quite like orgasming from some amazing oral sex!

IF YOU COULD HAVE A THREESOME WITH ANY TWO OTHER PEOPLE – FAMOUS OR NOT – WHO WOULD THEY BE?
Mick Jagger and Keith Richards... now that would be super sexy!

WHAT OR WHO DO YOU THINK ABOUT WHEN YOU MASTURBATE?
I often think of great sexual encounters I've had with clients... they have been earth-shattering. Some of my clients have made me orgasm a ridiculous amount of times during sessions. My pussy still throbs the day after.

ARE THERE ANY PORN SCENES THAT YOU WANT TO RECREATE? IF YOU HAVE ALREADY, TELL US ABOUT IT...
I'd love to film myself being f**ked outside in the forest... it sounds so kinky!

WHAT MAKES YOU UNIQUE AS A CAMMER/ESCORT?
Probably how much I genuinely enjoy and love the sex... which is why I'm so good at it and have a great time with everyone.

HAVE YOU USED ANY UNUSUAL ITEMS DURING YOUR SESSIONS?
I'm open to trying most things, I'm very kinky at times. A cream egg springs to mind, but I don't want to say what for!

WHAT IS YOUR FAVOURITE THING TO DO TO RELAX?
I love masturbating... I'm instantly relaxed post-orgasm! I also like to meditate, be out in nature and read a good book.

WHAT IS A NO-NO FOR YOU?
I don't enjoy anal, it's just painful for me! Also, rude people turn me off immensely.

DO YOU SEE MEN AND WOMEN, AND COUPLES?
I see both men and women. I'm genuinely bisexual and love women. I haven't had a genuine couple booking yet, but I'm hoping that changes in the future.

FAVOURITE CHAT-UP LINE YOU HAVE EVER RECEIVED? AND THE WORST?
Best and worst at the same time: "You must be Jamaican, because Jamaican me crazy!" I laugh at cheesy chat-up lines, even though they are usually pretty awful!

HOW CAN A SUNDAY SPORT READER GET YOUR ATTENTION FOR THE RIGHT REASONS?
By being polite, kind and straight to the point. I won't see anyone who is rude, abrupt or anyone who just gives me a bad vibe.

'I'd love a threeway with two porn stars'

KYLIE NYMPHETTE

AdultWork.com profile: bit.ly/KylieNymphetteSP

HOW LONG HAVE YOU BEEN AN AdultWork.com MEMBER?
I signed up just over ago now on the recommendation of a friend who's also a provider.

WHAT ARE THE BEST THINGS ABOUT AdultWork.com FOR YOU?
As a webcammer/content producer/escort, it gives me an amazing "home base" where I can offer all my services and connect with other members without having to manage the backend of a complex website.

TELL OUR READERS A LITTLE MORE ABOUT YOURSELF... WHAT TURNS YOU ON?
That depends what day it is! Some days I like to be wrapped in latex, doling out punishments to naughty little boys and girls.

Other days I prefer sharing a bottle of wine, good conversation, and the intimacy of stripping down to beautiful lingerie for an admirer.

Then, of course, sometimes I just want the sweaty, passionate orgy sex I get to enjoy when I make content – or with a few select clients.

WHAT IS YOUR BEST FEATURE/ATTRIBUTE?
I get a lot of compliments on my eyes in particular. I've never been very good at hiding when I'm thinking naughty things and I think that comes across in my eyes.

IS CAMMING / ESCORTING YOUR MAIN JOB OR DO YOU DO IT ON THE SIDE?
Sex work is my main job at the moment. I occasionally freelance in another industry, and even though I'm always my own boss I find sex work gives me a lot more freedom and flexibility in my life.

Not to mention I vastly prefer the interactions I have with my clients, fans and members on here than those in the corporate world.

WHAT IS YOUR FAVOURITE SEX ACT TO PERFORM OR RECEIVE?
I adore pegging – I don't think it needs to be in a BDSM context, or to be rough and aggressive like so much of the porn out there.

There's something incredibly sexy about being able to give a man that sense of power exchange and let him surrender to pleasure.

It's not for everyone, but I have been lucky enough to give quite a few men their first experience and it's such a sexual awakening for most.

IF YOU COULD HAVE A THREESOME WITH ANY TWO PEOPLE, FAMOUS OR NOT, WHO WOULD THEY BE?
Well, there are lots of porn performers I'd love to work with – my biggest girl crush at the moment is probably Rae Lil Black. And I've been in lust with Stoya forever, so I'll take them for my fantasy threesome!

DO YOU SEE MEN AND WOMEN? AND ANY COUPLES?
In my personal life, all the time. I've yet to have a female client or couples booking, but I'm very open to it.

HOW CAN A SUNDAY SPORT READER GET YOUR ATTENTION FOR THE RIGHT REASONS?
Reading my profile first, giving me lots of information about what you'd like, being polite and treating me like a lady. Oh, and signing off with the name you'd like me to call you – I hate to reply with: "Hi there," and it seems presumptuous to use a pet name.

My perfect Sunday...

Georgie Darby, 28, 32F, from Guildford, Surrey

GEORGIE LOVES TO COIN IT IN!

STUNNING Georgie Darby recently found herself an unusual new hobby.

And she reckons it will keep her Sundays busy for a while!

She said: "I went with an old school pal to a coin-collecting fair in London – no, don't laugh!

"There I was, in my short skirt and heels, tottering around the stands with all these old boys in jackets with leather patches on their elbows – their eyes were on bloody stalks!

"Anyway, I got really into it and found it quite interesting.

"We got talking to these younger blokes who were absolutely mad about coins.

By WENDY THOMAS
news@sundaysport.co.uk

"And said they go all over the world hunting for rarities.

"Then we ended up in the pub and had a really nice day – with a smashing carvery, too.

Fun

"I wouldn't have thought I could have had such fun at a coin fair.

"But if you go to one in the south of England in the next few months, you may well see me there!"

FIRST ONE-NIGHT STAND

HANNAH: When I'm on the pull I look for blokes who have good dress sense, a good body and a great bum.
SARAH: Do you like one-night stands?
HANNAH: I've only had one. It was really exciting and the sex was good, but it was really embarrassing the next morning. I wouldn't like to have another one.
SARAH: I've only had one but I really enjoyed it and I completely lost all my inhibitions, which made the sex electric.
HANNAH: Do you reckon you'll have more in the future?
SARAH: Yes, just for the fun factor.

FAVOURITE POSITION

HANNAH: What's your favourite kind of sex?
SARAH: I like it rough and ready because there's always a lot more passion in the sex when you do it like that.
HANNAH: Have you got a favourite position?
SARAH: Yes, I do it doggy-style more than anything because it's the kinkiest position and it's always very fulfilling.
HANNAH: I prefer doing it slowly and passionately. I think sensual sex is much more sexy than fast rough sex.
SARAH: Do you like doggy-style?
HANNAH: It's okay, but I'm more of a fan of missionary. I orgasm much more in that position.

WORST-EVER SEX

HANNAH: What's the worst sex you've ever had?
SARAH: When I had sex with my boyfriend when I was really drunk once. I actually fell asleep while he was porking me. He woke me up and was less than impressed.
HANNAH: I never have sex when I'm drunk for that reason. I once had sex when I had a really bad hangover and I had to make him stop after a couple of minutes it was so bad. Never have sex when you've got a hangover, it's awful.

GIRLY NIGHTS OUT

SARAH: I went to V Festival with one of my friends and we were sharing a tent. One of the nights I went back to it and she was in there with three blokes having a foursome. I couldn't believe it.
HANNAH: Did you not join in?
SARAH: No, that's not me at all. I was really annoyed though because I had to go and book into a hotel for the night.
HANNAH: I went on a hen night once and it was chaos. Two of the married women went on the pull and had one-night stands. I don't know how they had the guts to face their fellas the next day.

EMBARRASSING MOMENTS

SARAH: I fell off the bed during sex once. We were really getting into it and next thing I knew I was on the floor, almost snapping his willy in the process.
HANNAH: What did he do?
SARAH: He was hopping around the room holding his willy in pain. It was the most embarrassing thing to ever happen to me.
HANNAH: My most embarrassing moment was when I was having really boring sex with my ex-boyfriend and my mind wandered. I got a fit of the giggles and couldn't stop laughing.
SARAH: He must have thought you were weird?
HANNAH: I think he did. I was in fits of laughter and he was trying to make me orgasm at the same time. The poor guy thought I was laughing at his efforts, it was very embarrassing.

THREESOMES

HANNAH: Do you think you'd ever have a threesome if you got an offer?
SARAH: Yes. My housemate had one and said she had the time of her life.

> **"I fell off the bed as we had sex – and it nearly snapped his willy off!"**

HANNAH: Did she do it with two boys or another girl and a boy?
SARAH: With another girl and a boy, she really enjoyed it. I'd do that if I got an offer but I'd never have a threesome with two blokes because it'd be too much pressure.
HANNAH: I'm not actually looking to have a threesome, but if it was put on a plate I'd probably do it.
SARAH: Could you cope with two blokes at once?
HANNAH: No, it'd have to be with another girl. I bet it'd be a real turn-on though, I think I'd like it.

LESBO LOVIN'

SARAH: How far have you been with another girl?
HANNAH: I've never done anything, I haven't even kissed another girl. It's something I've fantasised about doing though, I think it'd be really nice because girls are attractive. I'd only go further than kissing if it was in a threesome.
SARAH: I've kissed a few girls and it's really erotic when you do it. It feels naughty and it's definitely a turn on for me.
HANNAH: Would you go further?
SARAH: Yes, definitely. I think I'd go all the way if I found the right girl.

FIRST-TIME SEX

SARAH: When did you lose your virginity?
HANNAH: I was 17 and did it with my first proper boyfriend.
SARAH: What was it like?
HANNAH: It was crap because we had no idea what to do. When he eventually got it in, he came in less than a minute. I was gutted because I'd been expecting it to be amazing and it wasn't.
SARAH: My first time wasn't much better. I was 16 and did it with my first boyfriend as well. He'd been begging me to do it for ages and eventually I gave in.
HANNAH: What happened?
SARAH: We did it in bed and it was rubbish, he lasted a matter of seconds before he came. I was pleased I did it with someone I was in love with but it was still a bit of a disappointment.

BUM FUN

HANNAH: Is your bum virginity still intact?
SARAH: Yes, thank goodness. I've given it a lot of thought and decided that it'll stay that way, too.
HANNAH: What's stopped you trying it?
SARAH: It seems a bit wrong, I don't think you should have willies put up your bottom.
HANNAH: I've got to disagree. I told my ex he could go there and he was well up for it. It felt a bit strange at first, but then I started to enjoy it and we had incredible orgasms. I've done it a few times since.

WILLY SIZE

SARAH: The guy I had my one-night stand with had a massive willy. It was nine inches long and the biggest I've ever seen.
HANNAH: Did the extra length make a difference?
SARAH: Not really and it hurt a bit at first. Having a big willy does make a difference, but having a small one is rubbish.
HANNAH: I prefer girth rather than length. The biggest one I've had was about seven inches long but it was the same width as the end of a baseball bat.
SARAH: Crikey. What did it feel like?
HANNAH: It was awesome. He was my ex-boyfriend and I was gutted when I split up with him. I still miss his willy now.

OUTDOOR SEX

HANNAH: I've never done it outside but I once had sex with my boyfriend in a hotel lift and that was good fun.
SARAH: Did it feel naughty?
HANNAH: Yes. We knew the doors could open at any time and someone might catch us, I loved every minute of it.
SARAH: The best place I've shagged was over a car bonnet. We were walking home, one thing led to another and next thing I was bent over the car. It was good fun.

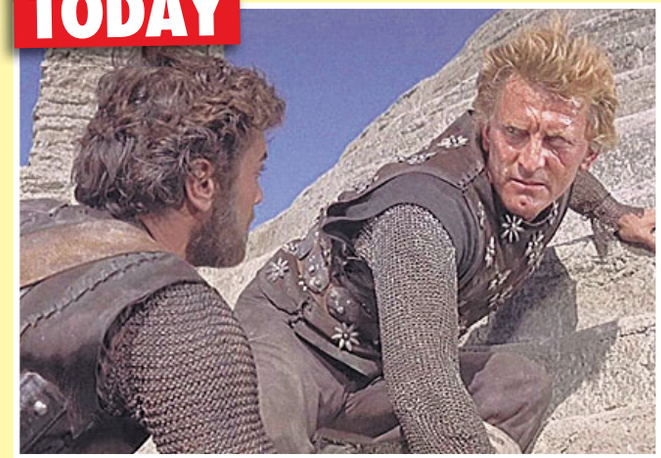
PICK

TODAY



TOMORROW

Bouncers – C5, 10pm

NEW. Documentary following the mobile security personnel who protect Britain's cities from lawless disorder, stepping into situations that were once the domain of the police.

In the first edition, bouncers Marek and Greg jump into action when two men refuse to leave a nightclub. Further complicating matters, the men claim they have been assaulted by other doormen and call the cops.

This will be great because, come on, who doesn't like bouncers?

Oh, that's right – EVERYBODY doesn't like bouncers.

The simple bear necessities

Meet the Bears – BBC2, 9pm

***PADDINGTON* star Hugh Bonneville narrates a documentary looking at the habits of the family of bears and the skills they've developed to survive a range of environments around the world.**

The film explores how bears have overcome the challenges of life – from finding food and raising their cubs to confronting rivals and habitat loss – all thanks to brains, brawn and a remarkable ability to adapt.

OF THE TELLY

By BARNEY SAMUELS

Introducing the Pillage People

The Vikings – BBC2, 12.05pm

A PROPER film, from 1958, rather than the semi-cartoon tripe they screen these days.

A Norse warrior becomes embroiled in a feud with a former slave over the succession to the Northumbrian throne, unaware his arch-enemy is really his half-brother.

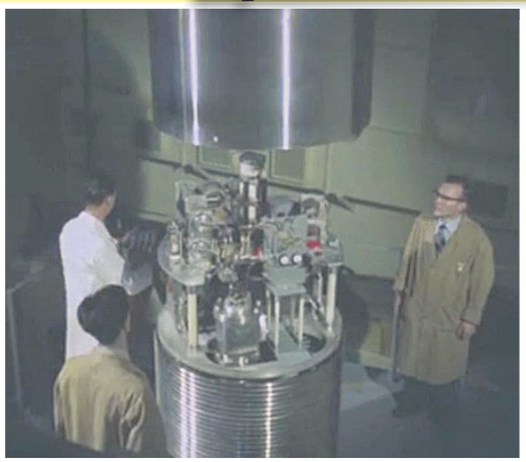
Matters come to a head when they both set their sights on a Welsh princess, leading to a confrontation – but the situation is further complicated by the interference of England's sadistic king.

Adventure, with Kirk Douglas, Tony Curtis, Janet Leigh, Ernest Borgnine and James Donald.

His Dark Materials – BBC1, 8pm

NEW. Orphan Lyra Belacqua's world is turned upside down by her long-absent uncle's return from the North, while the glamorous Mrs Coulter visits Jordan College with a proposition.

Jack Thorne's adaptation of the first of Philip Pullman's fantasy adventure novel series, starring Dafne Keen, Ruth Wilson, James McAvoy, Clarke Peters and Anne-Marie Duff.



Britain's Nuclear Bomb: The Inside Story – BBC4, 8pm

BACK in 1957, Britain exploded its first megaton hydrogen bomb, code-named Operation Grapple X.

This documentary looks at how Britain became a nuclear superpower, featuring footage of atomic bomb tests and interviews with veterans and scientists who took part in the extraordinary atomic bomb programme.

TUESDAY

The Pride of Britain Awards 2019 – ITV, 8pm

CAROL Vorderman hosts the awards show celebrating Britain's unsung heroes.

The recipients will have been chosen by a panel of judges from more than 20,000 nominations, and famous faces from the worlds of film, television, music and sport will be on hand to present the awards.

The event is celebrating its 20th anniversary this year, and the programme will include a showcase of some of the most memorable moments from past awards.

Some of the famous faces taking part include Prince Charles, Robert Downey Jr, Chris Pratt, Michael Caine, Helen Mirren, David Jason, Gareth Southgate, Adam Lambert, and the cast of *Strictly Come Dancing*.

Our Yorkshire Farm – C5, 8pm

NEW. The Owen family return in a new series that starts at Easter.

As the nine children finish school, they have other lessons to learn on their parents' hill farm.

Edith and Violet learn about the highs and lows of the lambing season, while Clemmie comes to the aid of a lamb with a broken leg. Meanwhile, Reuben and Miles teach Sidney how to build a dog kennel for their runaway terrier.

Great stuff and, if you're ever in Swaledale, Amanda Owens makes a cracking cream tea – she's fit, too.

DON'T MISS THIS!!!

Charles: 50 Years a Prince – Thursday, ITV, 9pm

FIFTY years ago in Caernarfon at his investiture, Prince Charles embarked on a unique relationship with a country that has shaped his life and work.

While acknowledging a sometimes troubled and turbulent history, this documentary celebrates Wales through the eyes of a prince who has made the role his own.

He seems a decent old cove, does Charlie, and let's hope this documentary – narrated by Luke Evans – being screened stops everyone going on about his sons falling out over Meghan.

LEGENDS OF PORN

PART 80

BRIDGETTE B

BARCELONA is famous for a few things: tapas, football, having their independence plan brutally supressed by the Madrid authorities.

By PENNY MARSHALL
news@sundaysport.co.uk

But the Catalan capital has another claim to fame – as birthplace of the amazingly buxom blonde Bridgette B.

Bridgette hit the smut scene hard in 2008 when she got her first taste of on-screen sucking and f**king.

Then she upped her game a year later with a tit-job that brought her star assets up from nice little C cups to booming Double Ds.

It didn't take long for her to get her surgical money's worth as Bridgette has been a fan favourite of the Big Tit genre ever since.

She loves to enfold throbbing cock in her mouth like she needs to suck to save her life.

When it's not shlong she's slobbering on, Bridgette has also got a taste for some sweet pussy licking action.

She is also – like most Spanish women – a huge devotee of anal pleasures.

If you get chance, look up her 10-man blowbang where she sucks off a host of spunky cocks.

Ole!

SUNDAY Sport SEXY BACK END!

Klaudia takes pride in boobs

KINKY Klaudia puts on a real show here during a Sunday Sport photoshoot.

The Hungarian-born babe, 25, laid back on a sofa and whipped out her 32E norks.

Luckily, the language barrier didn't get in the way when she popped in for a chat and she happily told us what she likes, purring: "I like a penis in the bottom, it is very nice.

By WENDY THOMAS
news@sundaysport.co.uk

"I also like some men to spunky-spunky on my boobies. I have big boobies – the biggest in my village!"

Klaudia also boasted that the mayor of her village keeps a scrap book containing all her photospreads from Western publications.

She said: "Everyone is very proud of me in the village. Especially the mayor.

"He is very old but I think he may be – what is the English word – a pervert?"

SENSUAL JANE COMES GOOD!

A LITTLE grasp of a language can be a tricky thing.

When hot Ioana Botezatu was growing up in the backwoods of Romania – in the shadow of a closed down Communist orphanage – she always wanted to be a model.

Her chance came a few years back when Romania joined the EU and millions from that lovely but unhappy land flooded north and west to the more civilised parts of the Continent.

By WENDY THOMAS
news@sundaysport.co.uk

Within weeks she had landed a modelling contract but needed a modelling name.

She came up with "Sensual Jane" – through her shaky grasp of English she was convinced this was a good idea.

But she enjoys her job at least, telling us: "I love my big tits covered in spunk – absolutely covered! OOF!!"

THE WORLD FAMOUS AGONY Page

Dear Tess,

I WAS at a club with a mate recently when I noticed a girl giving me the eye. I didn't fancy her but she kept staring.

But after failing to pull anyone else, I told my friend to ask her if she fancied coming back to my apartment, and she agreed.

After a chat and a few drinks she stripped off and my mate and I got well stuck in. She grabbed both our cocks and sucked us both off.

Then, as I tupped her from behind, my chum got relieved between her breasts, which left her face dripping with his juices.

We've made an arrangement where one or other of us entertains her sexually once a week. But she wants to come out to restaurants and such with us, which is a bit of a no-no, frankly, because of she's quite a bit beneath both of us, class-wise. Do help.

EE, Kent

Tess says...
I HOPE she meets a nice bloke who kicks your arses, you stuck-up prick.

Dear Tess,

I RUN a small country hotel on my own since my wife ran off with a sales rep. I took it badly at first but that all changed when I took on a cleaner last month.

She's a 40-year-old divorcée with a fine figure. I haven't given her one her yet but I've licked her breasts and she's gobbled me.

Early last Saturday morning before the guests were awake she dragged me into the kitchen and undid her blouse, slipped off her bra then lifted and and licked her nipples. Then she lifted her skirt, took off her panties and lay back on the table, playing with her hole. I pulled myself out and let her suck me and I soon shot my load.

I know I shouldn't complain but I'm itching to shag her but she seems reluctant to do it. What's going on?

WP, North Yorks

Tess says...
BE patient, she's just being a tease.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters and emails. Here's her advice...

Hubby's having sex with MY lesbo lover

Dear Tess,

I'M a 33-year-old woman with a husband AND a really sexy lover.

The trouble is, that lover of mine is also sleeping with my hubby, who like me thinks sex with her is sensational!

Needless to say, I'm bisexual, which my husband knew about when we married just over two years ago.

During the first year our sex life was great but then it began to go a bit stale.

We talked about it like adults and decided it might be worth a try if we both found ourselves a bit on the side each, as it were.

Craving

So I set out to find myself something I was suddenly aware that I'd been craving for some time – a lesbian lover.

I went to a gay club and was soon approached by a young blonde woman with huge breasts.

We had a few drinks and got on well and we were soon kissing and cuddling in a dark corner.

As we kissed she slid her hand up my skirt and began to finger me through my panties.

Needless to say, I was soon wet and widening with her skilled and sual touching.

Eventually, she whispered that we should go back to her place, and I eagerly agreed.

Just a few minutes later we were in her flat, stark naked on the bed, licking each other's front bottoms out.

Then she took a dildo from a bedside drawer and slipped it in me for a incredible session that ended with me having one hell of an orgasm.

I then brought her off with my tongue and fingers using all the tricks I'd used on myself in the past.

Afterwards, we agreed to meet up once a week.

I told my husband all about this and he said it was fine by him. He also confessed that he'd met a nice girl who he was having sex with and went on to describe what they did together.

He revealed that she loved him to shag her doggy-style and that she also liked him to use sex toys on her.

But I was dumbstruck when he showed me a photo of her – it was my blonde lover! I almost told him, but I bit my tongue.

When I saw her two nights later I told her the guy she was f**king was my hubby but she didn't believe me – until I showed her our wedding photo.

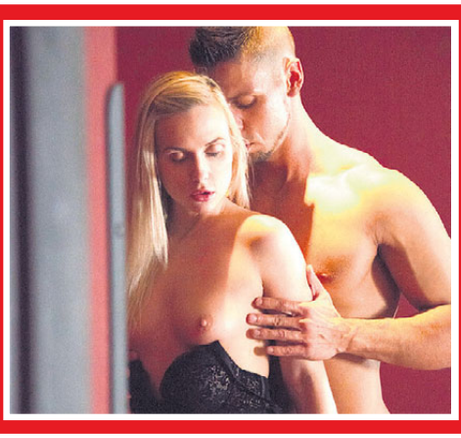
Now I don't know what to do because I love them both and they care deeply about each other.

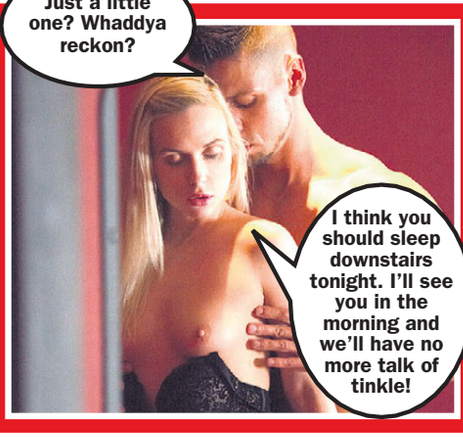
Any advice?

CD, Stoke

Tess says...

WHY not invite this girl round to your place and then you can all enjoy one happy and satisfying threesome!





Just a little one? Whaddya reckon?
I think you should sleep downstairs tonight. I'll see you in the morning and we'll have no more talk of tinkle!

Tess says...

OH dear!
